Professional Summary

Computer Science and Engineering student with hands-on experience in Web Development, Data Analytics, and Python application development. Skilled in Python, SQL, HTML, CSS, MS Excel, VS Code and Streamlit. Seeking opportunities to apply technical and analytical skills.

Technical Skills

Programming Languages: Python, Java, C

Web Technologies: HTML, CSS, JavaScript

Database: SQL, SQLite

Tools & Platforms: VS Code, GitHub, Streamlit, ChatGPT, MS Excel

Data Analytics: Data Cleaning, Pivot Tables, VLOOKUP, Dashboard Creation, Data Visualization

Concepts: OOP, Problem Solving

Education

B.E. Computer Science and Engineering, Akshaya College of Engineering and Technology

CGPA: 7.76 | Expected Graduation: 2027

HSC (2023): 65%

SSLC (2021): 75%, Kendriya Vidyalaya, Coimbatore

Internship Experience

Neha Solutions, Pollachi – Web Development Intern (21 Days)

- Developed responsive web pages using HTML, CSS and JavaScript.
- Performed testing, debugging and maintenance.

SSSN Software Pvt. Ltd. – Predictive Analysis & Deep Sequence Framework Intern (21 Days)

- Analyzed datasets using predictive analytics and generated forecasting reports.

Nebula Safe Tech – Cybersecurity Intern (21 Days)

- Worked on networking, router configuration, troubleshooting and cybersecurity concepts.

Projects

Secure Symmetric Encryption Tool (Python, Fernet, Hashlib)

- Developed a secure encryption/decryption system with audit logging and encrypted storage.

AI-Based College Bus Entry Automation System (Python, Streamlit, OpenCV, EasyOCR, SQLite)

- Automated vehicle number plate detection, OCR-based entry logging and report generation.

Speech Therapy Application (Python, Kivy, SpeechRecognition)

- Built a pronunciation practice application with speech recognition and audio feedback.

Certifications

- Data Analytics Master Class
- Productivity with Macros – Making Excel Work for You
- Certificate of Excellence – TECHFEST 2K25

Achievements

- Maintained a professional LinkedIn profile.
- Achieved 3rd prize in an inter-college technical event for software analysis and problem-solving.
